The screenshot displays the Ecologistics software interface. At the top left, the logo 'Ecologistics' is visible. Below it, there are navigation controls for map styles: Plan, Satellite, Terrain, and Hybride. The main area features a map of the Netherlands with a red header 'With EPCIS' and a black data table overlay. Below the map, there is a red header 'With authorization' and the text 'We are here → BRUXAMUR'. The interface is divided into four data tables:

Col	Date	Heure	EPCIS : Situation	BizStep

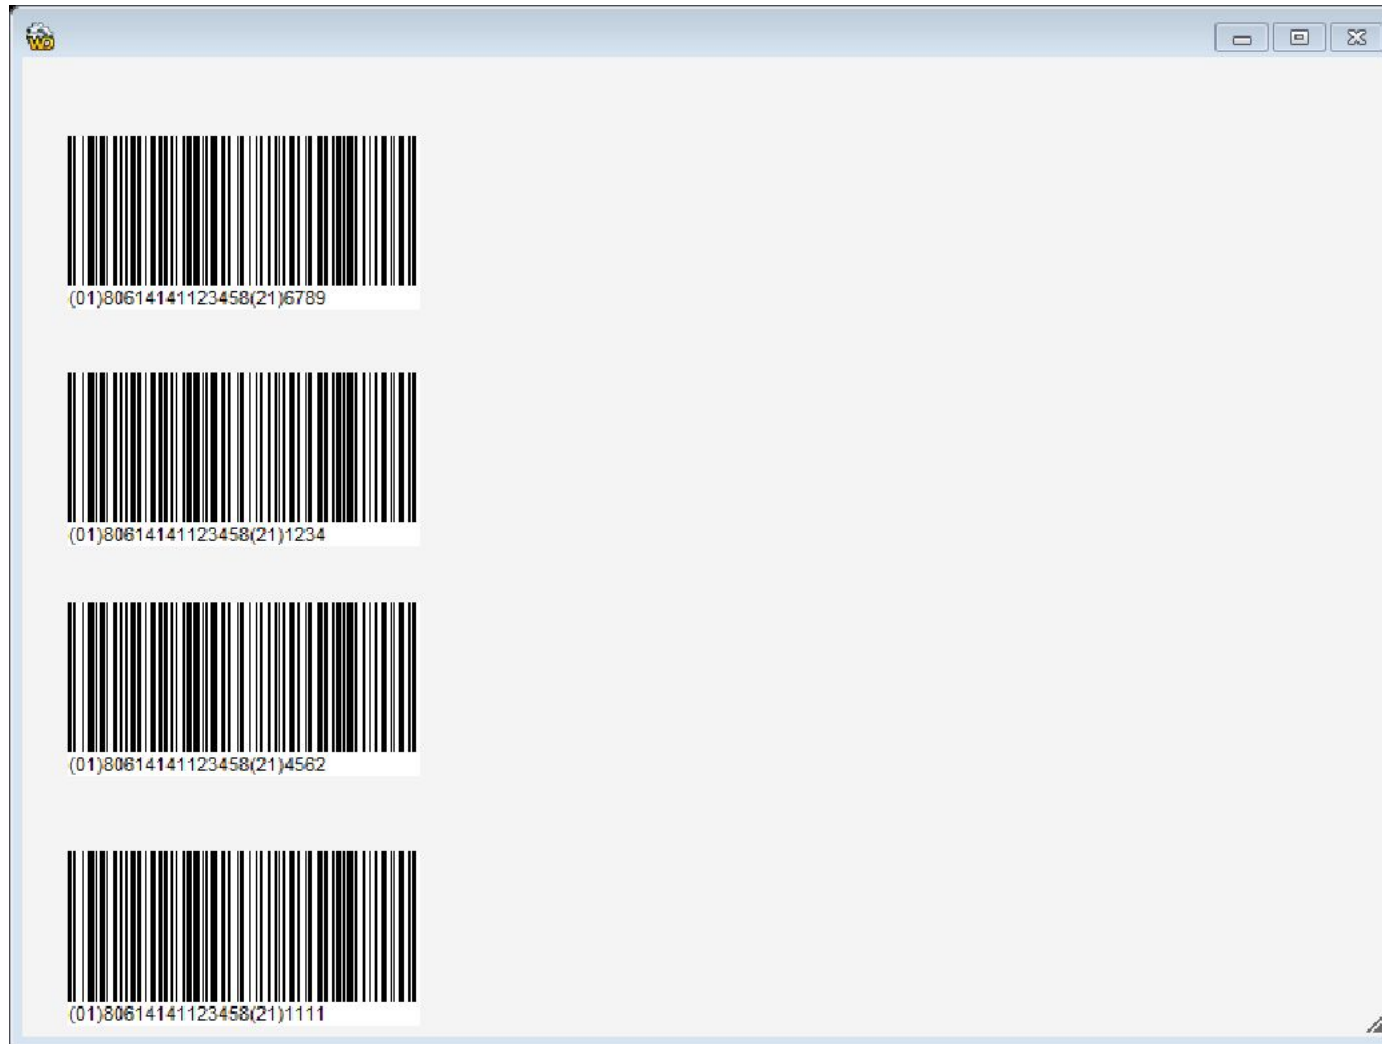

Col	Date	Heure	EPCIS : HISTO	BizStep
